5th IUPHAR World Conference on the Pharmacology of Natural Products
&
51st Annual Conference of Indian Pharmacological Society (IPS)
Theme: Natural Products for Healthy Ageing; from Molecular Targets to Therapy
December 5th – 7th 2019
Venue: ICMR- National Institute of Nutrition
Hyderabad, Telangana state, India.

For centuries, India is known for traditional systems of medicine. Today it is the major exporter of natural products in the World. India is also known for its biodiversity and untapped flora and fauna. Many research organizations both in Public and Private sectors throughout the country are engaged in research and promotion of natural products.

About the venue:
ICMR-National Institute of Nutrition, is a century old premier nutrition research institute of India working under the aegis of Indian Council of Medical Research, Ministry of Health and Family Welfare, Government of India located in the vicinity of globally renowned Osmania University, Hyderabad.

About the City:
Hyderabad is the 5th largest Clean & Green City of India. It is the nerve centre of IT, Biotech and Pharmaceutical sectors with more than 15 eminent research institutes supported by ICMR, CSIR, DST, DBT, AYUSH, ICAR. The 400 year old city is a unique blend of tradition and modernity.
